

CRAFTED IN THE BAROSSA SINCE 1979.

2016 CLANCY'S RED

Peter Lehmann Wines was founded in 1979 by the now legendary Peter Lehmann. The quality of our wines is a testament to the integrity of the relationships Peter built with grape growers across the region throughout his winemaking career.

Clancy's is a celebrated Barossa Red Blend of Cabernet Sauvignon, Shiraz and Merlot. The highly awarded and delicious wine is an introduction to the timeless craft of the Peter Lehmann winemaking community. Perfectly crafted blending makes Clancy's a crowd-pleaser every time. Every bottle of Clancy's benefits from true collaboration between winemakers and growers who all believe in making honest wines that showcase the best of a cross-section of vineyards throughout the Barossa, South Australia.

Vintage Conditions	The 2016 vintage in the Barossa began with warm and dry weather, no disease pressure and one magnificent rain event at the end of January. This was perfectly timed for veraison of the grapes and flavour development.
Vineyard or Region	A blend of Cabernet (37%), Shiraz (34%) and Merlot (29%) sourced from vineyards scattered throughout South Australia's iconic Barossa Valley floor.
Winemaking & Maturation	The grapes are individually vinified to the completion of fermentation. Following blending of the varietals, the wine is matured in new and old French and American oak hogsheads for 12 months.
Colour	Blush red with hints of purple.
Nose	Lifted leafy and cassis notes from the Cabernet predominate the aroma profile, with touches of spice and red fruits from the Shiraz and Merlot.
Palate	Unmistakably Cabernet driven, this is a plush wine rich in red fruit flavours, toasted oak and gentle sweeps of spice.
Peak Drinking & Cellaring Potential	Enjoy now or can be cellared until 2026
Enjoy	Always a welcome guest at a barbecue, this wine pairs sublimely with a few slices of homemade pizza.
Analysis	Alc/Vol 14.5% TA 6.15g/L pH 3.63 RS 2.08g/L*
